ABOUT FAST CAT

Fast CAT is a timed straight 100-yard dash for dogs.

Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced and dogs are run individually.

- A. The dog's time to complete the 100 yard dash is converted into MPHs using the formula below, rounded to the nearest hundredth of a mile:

$$204.545 / \text{Dog's Time} = \text{MPH}$$

Example: The dog's time is 8.14 seconds.
 $204.54 / 8.14 = 25.13 \text{ MPH}$

- B. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:
- 18" or greater = handicap is 1.0.
 - 12" up to less than 18" = handicap is 1.5.
 - Below 12" = handicap is 2.0.
- C. Points = MPH multiplied by the dog's handicap

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

- BCAT = 150 points
- DCAT = 500 points
- FCAT = 1,000 points
- FCAT# = Each additional 500 points

Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed.

Open Saturday and Sunday – 15 Minute Drive

Entering & Procedures

RMHA is running TWO TESTS per day concurrently, with four tests over the weekend: Test #1 and #2 are on Saturday with Test #3 and Test #4 on Sunday. We are also breaking up the day into three time blocks: 9am–11am; 11am – 1am; 1am – 3pm. The tests and time block you prefer to enter **MUST BE SPECIFIED ON YOUR ENTRY FORM**. We will fill blocks with roughly 25 dogs based on the order I receive entries (not post mark). Additionally, your dog's height at the withers **MUST BE ON THE FORM**. There is one form for Saturday, and one for Sunday.

- 1- Use the correct form for Saturday or Sunday
- 2- Circle the time block at the top you prefer (Good idea to list and alt block)
- 3- Circle the Event number for each test or both to enter both tests for that day
- 4- Include your Dog's height at the withers with the other required information on the entry
- 5- Mail your entries with a check or scan and email to the secretary (ktjd1@yahoo.com) and pay via PayPal (use rmhounds@gmail.com for payments)
- 6- If you have questions, contact the Secretary.

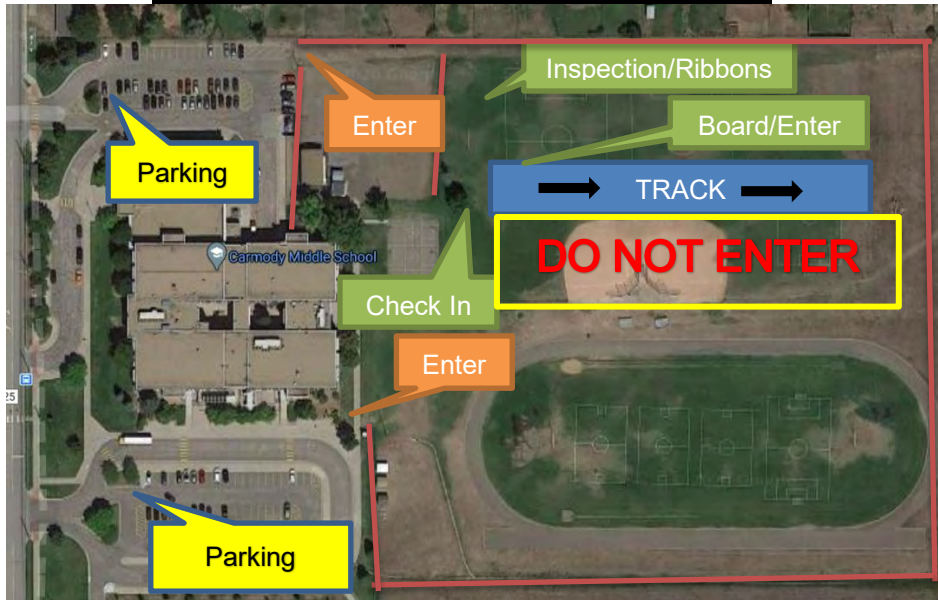

You must check in at the "CHECK IN" table during the hours of your time block. Once you check in, you will be given your card(s) for each test for your dogs running that day. Life happens – if you are unable to make your time block, you can come later in the day and we will try to work you in.

You will need to approach the "INSPECTION" area with the dog and the collar they will wear while running and present ONE of your cards. Once your dog passes inspection, for soundness, bitches in season and appropriate collar type a stamp will be placed on your card. If your dog is determined to be lame during the inspection, a refund will be given. You will then approach the Secretary where they will put your dog's name on the "BOARD" for the running order. When your dog's name is reached, The Huntmaster will call the dog where you will present your stamped card for verification. You may start your dog anywhere up to 10 feet behind the starting line. The lure will be placed in approximately the same starting position for all dogs. Your dog will then blaze a trail down the 100-yard track!

If you entered a second test for that day, you need to return to the "INSPECTION" table and get your 2nd card stamped after your dog has been inspected again. Get the dog's name on the "BOARD" and your dog will blaze a second trail! The "INSPECTION" table will have all ribbons.

****VERY IMPORTANT** HAVE FUN!!!!**

Collars - Handlers

The following are the rules for AKC regarding Collars and handlers and will be strictly followed

SECTION 3. CONDUCT OF HANDLERS. Handlers in Fast CAT are not permitted to travel down the 100-yard course during a dog's run or just prior to a dog being released for its run. If the course is fenced, this includes both inside or outside the fence. Handlers shall simply release the dog in the starting box and may not run with the dog within the starting box. Handlers may run within the catchment area as their dog is running the course but may not cross the finish line. Cheering, clapping, calling the dog's name, whistling and waving arms from the end of the course or the start area is allowed. Noise making devices such as whistles, duck calls, electronic calls or other items of this nature are not permitted. The use of toys, treats, flags or other items of this nature are not permitted while the dog is running the 100-yard course, however they may be used after the dog has crossed the finish line to assist in catching the dog. Should a situation arise where the application of this Regulation is open for interpretation, the event committee shall decide how it will be handled. An explanation shall be submitted to the AKC along with the event results.

SECTION 13. COLLARS/PARAPHERNALIA. Dogs may wear any collar except a choker collar, a collar with prongs or an electronic training collar. The collar should be snug to minimize the chances of getting hung up on something during the run. The event committee at its discretion may require tags hanging from the collar to be secured to ensure the dog's safety (RMHA requires tags to be secured). Owners should be aware that there is a chance that tags hanging from the collar could become entangled on something during the run. If owners are concerned, tags may be taped to the collar. Owners may use clips or rubber bands to hold the dog's hair. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog. Head halters, such as the Gentle Leader or Halti, may be used on the grounds but must not be worn while running the course. Dogs may be muzzled at the owner's discretion. Muzzles must not have sharp, hard edges and must allow the dog to breathe.
